Navy Lists [_](#)

The Navy Lists section contains thousands of digital images spanning the period between 1805 and 1914. The Navy Lists contain a list of officers serving in the Royal Navy at the time of publication. Often Royal Marines are included along with retired officers, civillians, ratings permitted to wear medals, commonwealth naval officers, etc.. Full details can be found in each table of contents on the product pages.

The Marines, or the Navy's Soldiers, have since earliest times been a vital part of the Navy's manpower. It has been the custom to list every officer in the Marines whether on active service or waiting as a reserve (and hence on half-pay) complete with pay scale details. This CD gives a fascinating insight into the world of the Marines and is invaluable to those searching for genealogical information on members of their family who were known to be in this branch of the Armed Forces early in the 19th Century.(62 images)
